REMARKS

By the present amendment, claim 6 has been amended to substitute the term "channel flanges" for the term "spaced gussets". The amendment is made for purposes of clarity and to eliminate an inconsistency of claim 6 with respect to the term "spaced gussets". The indefiniteness of this term was only discovered in preparation of the Appeal Brief.

Entry of the amendment for purposes of Appeal is requested. It is believed that the amendment will simplify the issues on Appeal because it will eliminate a potential of rejection of claim 6 under 35 U.S.C. § 112.

Respectfully submitted,

Timothy R. Hawes
